## ART OF WATER

COLLECTION

Introducing the 2016 collection of beautiful modern lighting fixtures, created by our designers to enchant you at first sight. The collection combines the accurate and skilful production you've come to expect from our lighting fixtures with modern design elements inspired by the wonders of nature that never fail to draw the eye, whatever the form. Ice, waterfalls, glistening dew drops... all of these natural wonders have been woven throughout our new collection.

Designer: MONIKA ŠILHÁNOVÁ

## **BLOSSOM**

*Be enthralled by this opulent golden flower dripping with glistening drops created by masters of glass. The whole piece is softened by a veil of tiny glass drops and beads.*

ART OF WATER COLLECTION

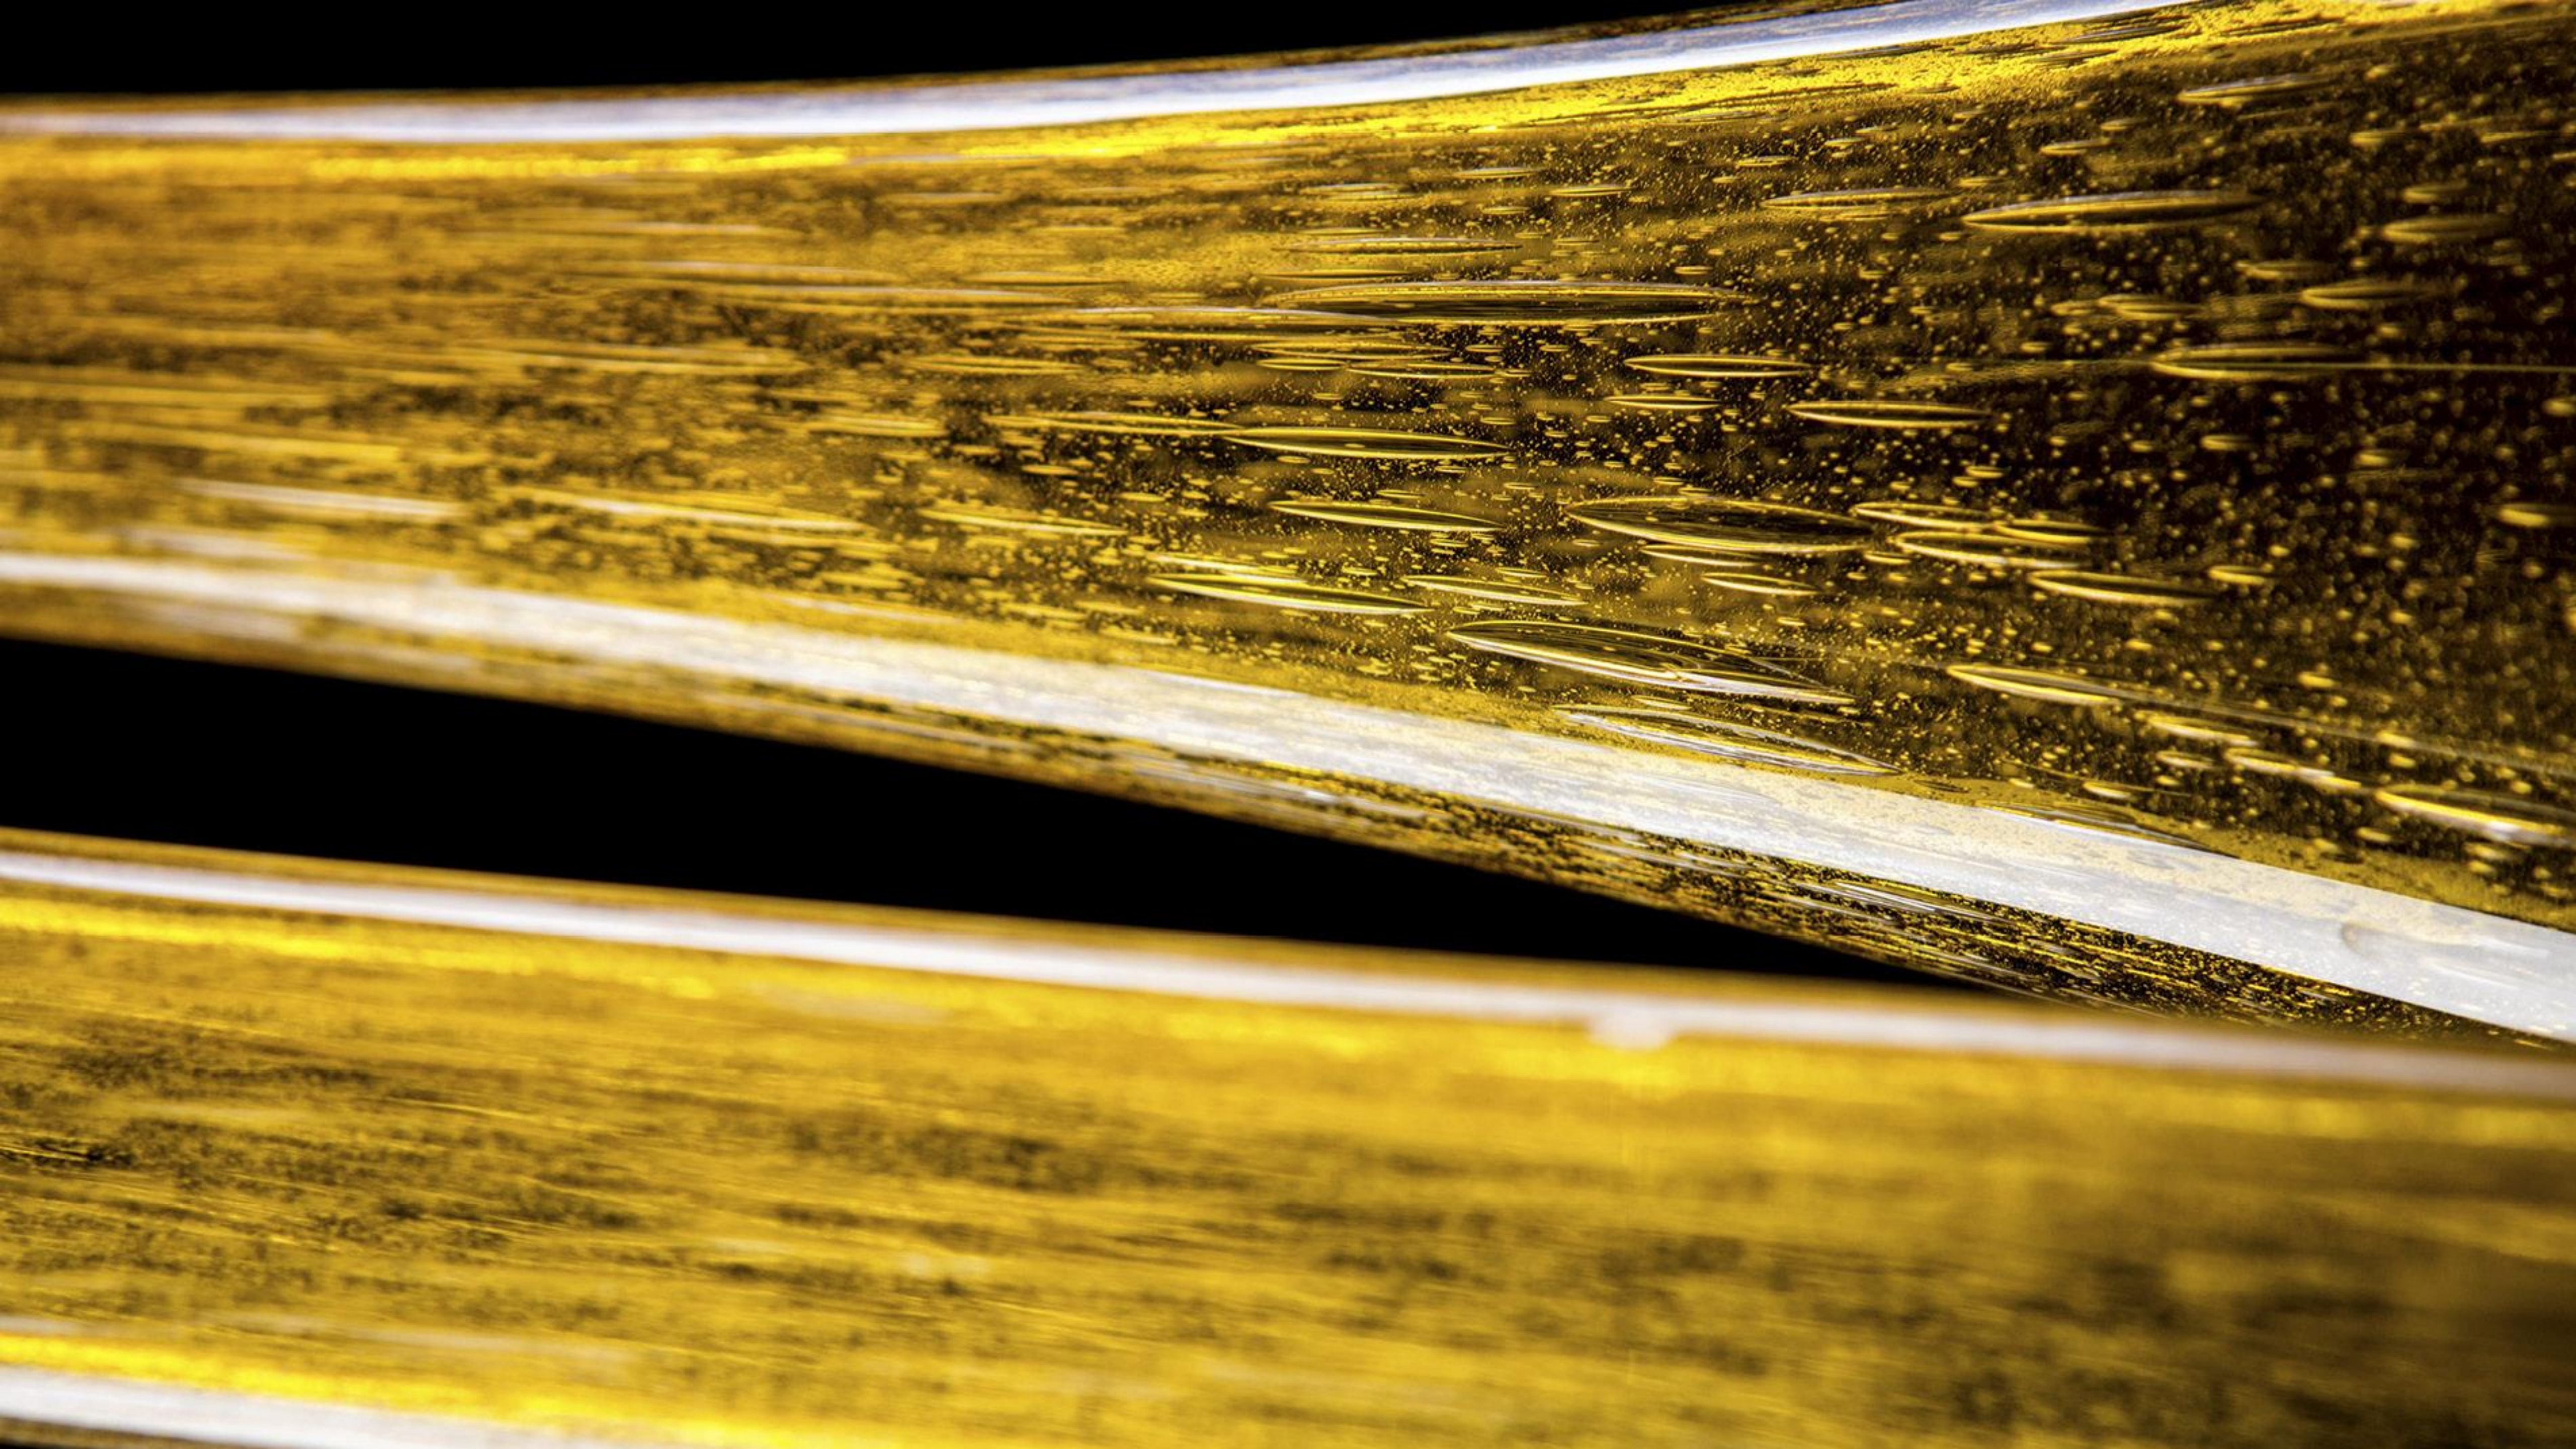

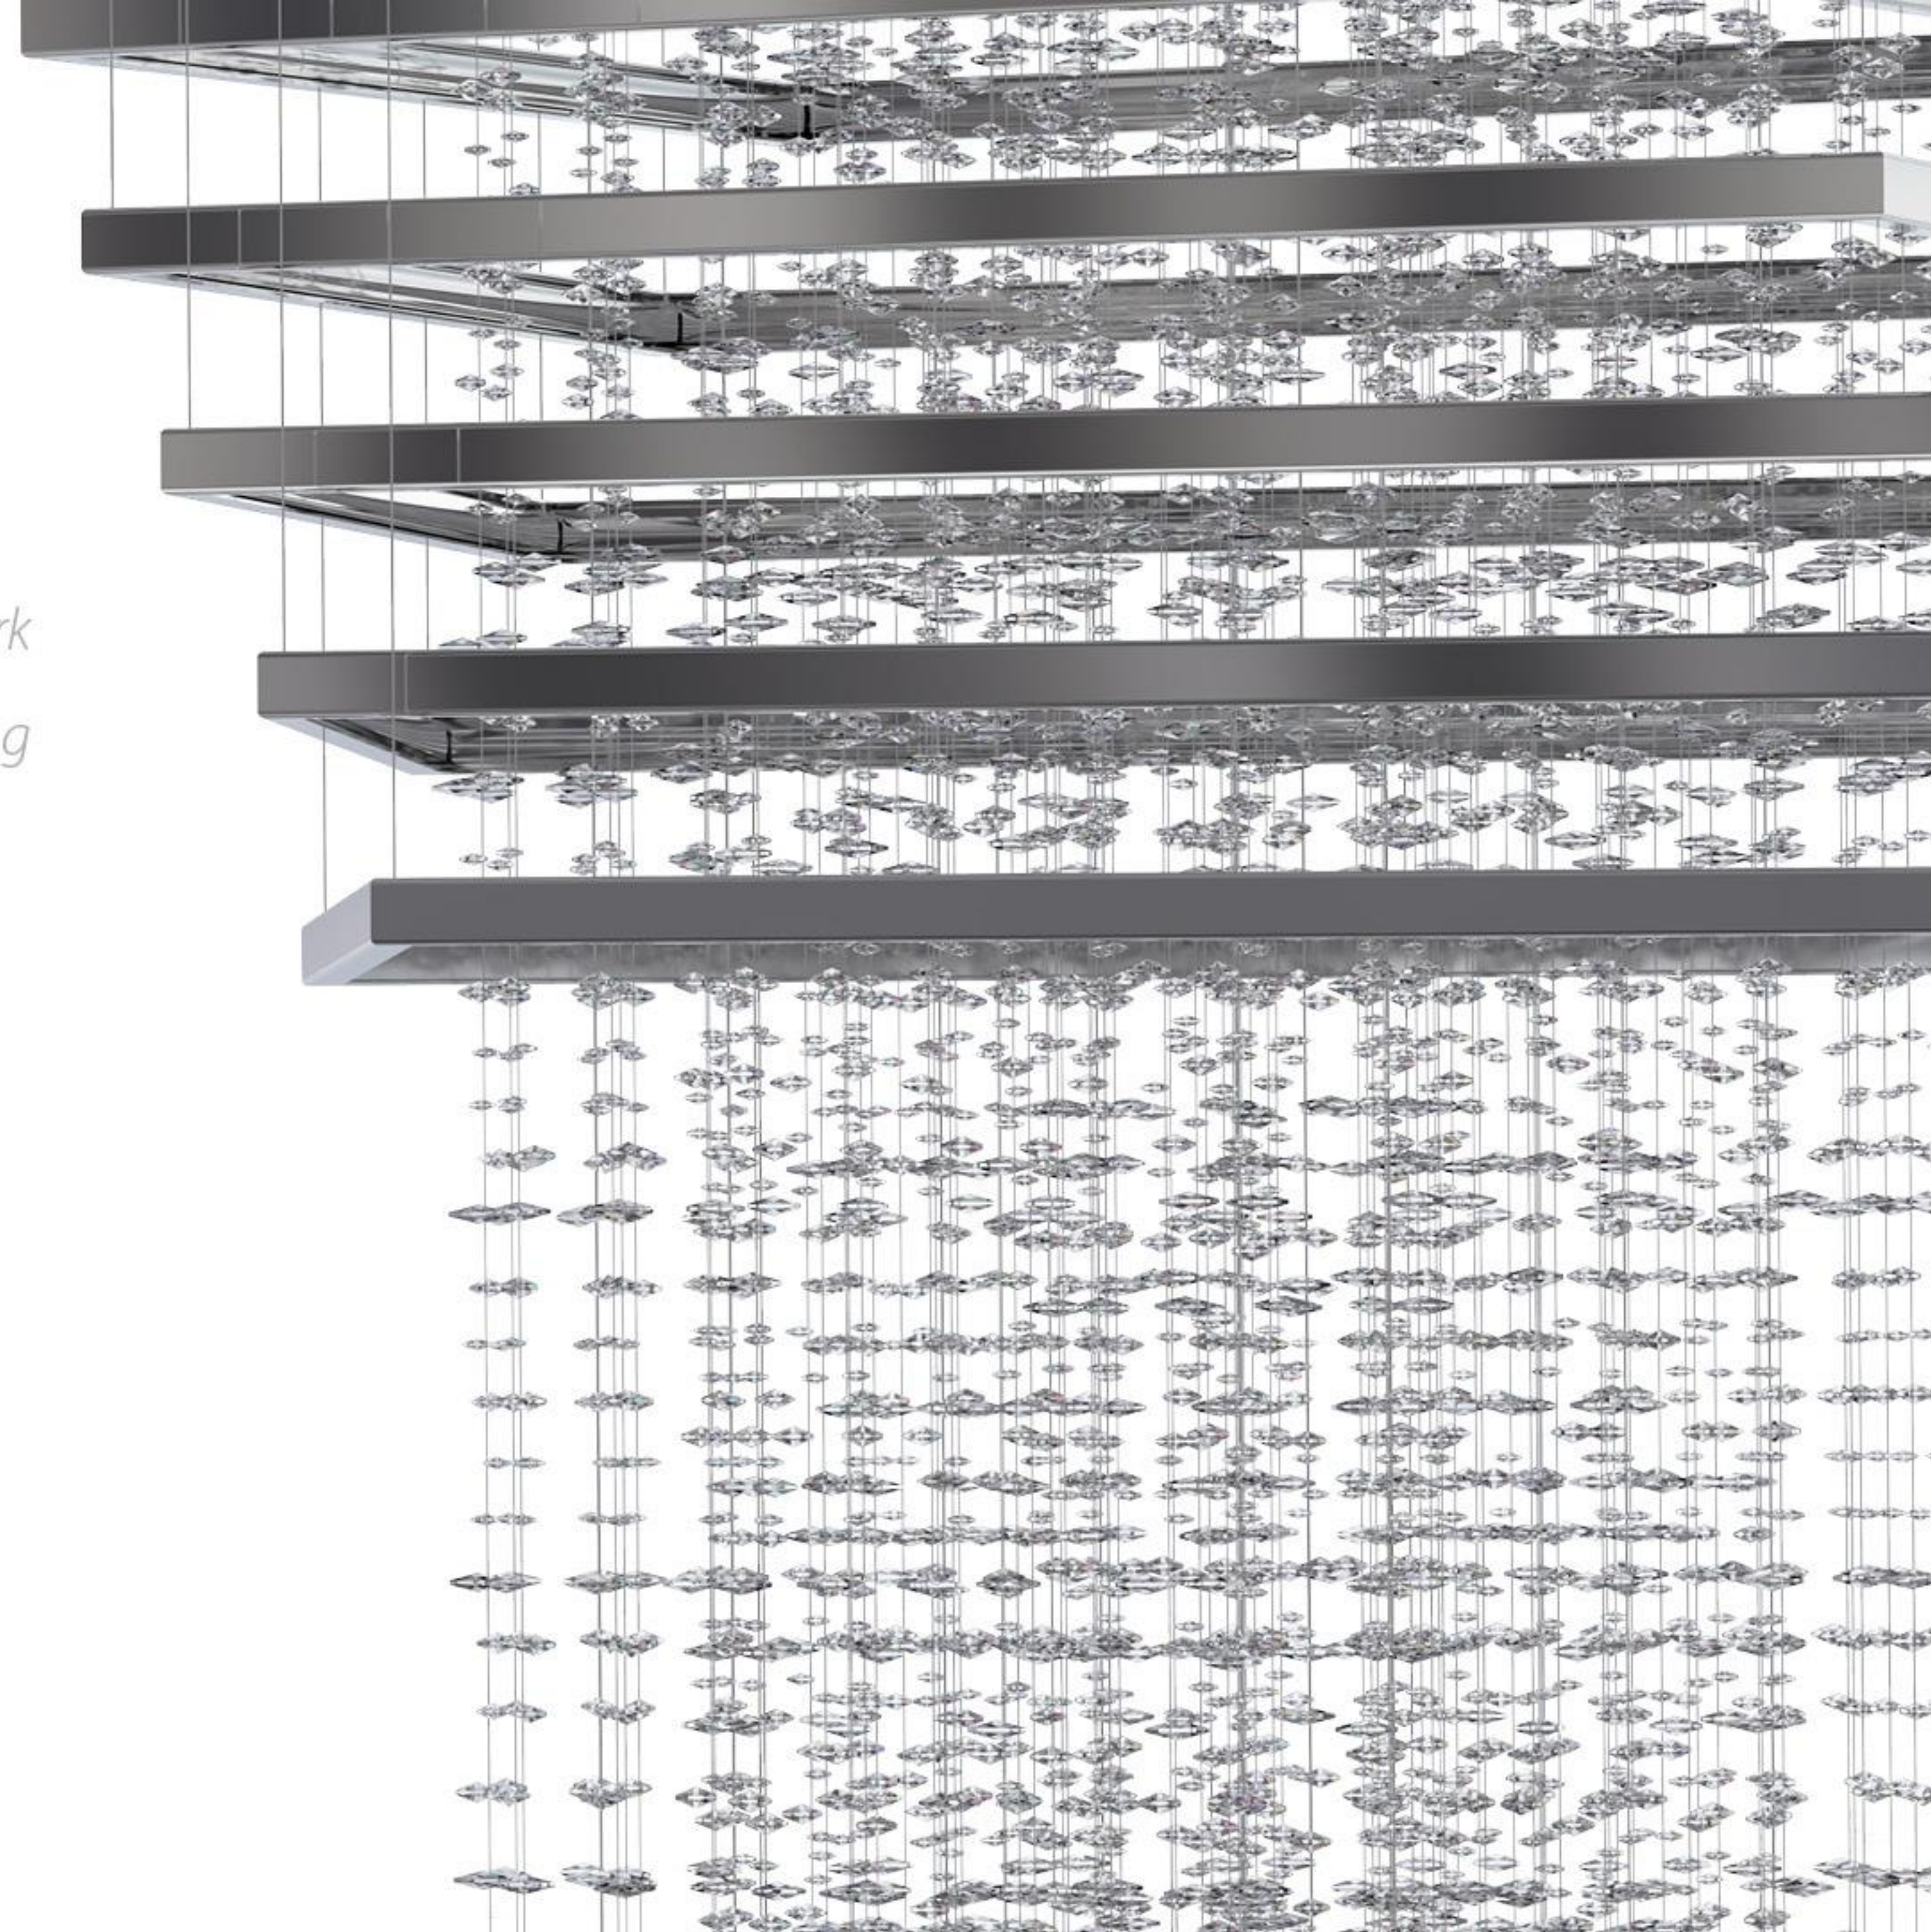

Designer: ŽANETA ČIŽMÁROVÁ

## **EMBRACE**

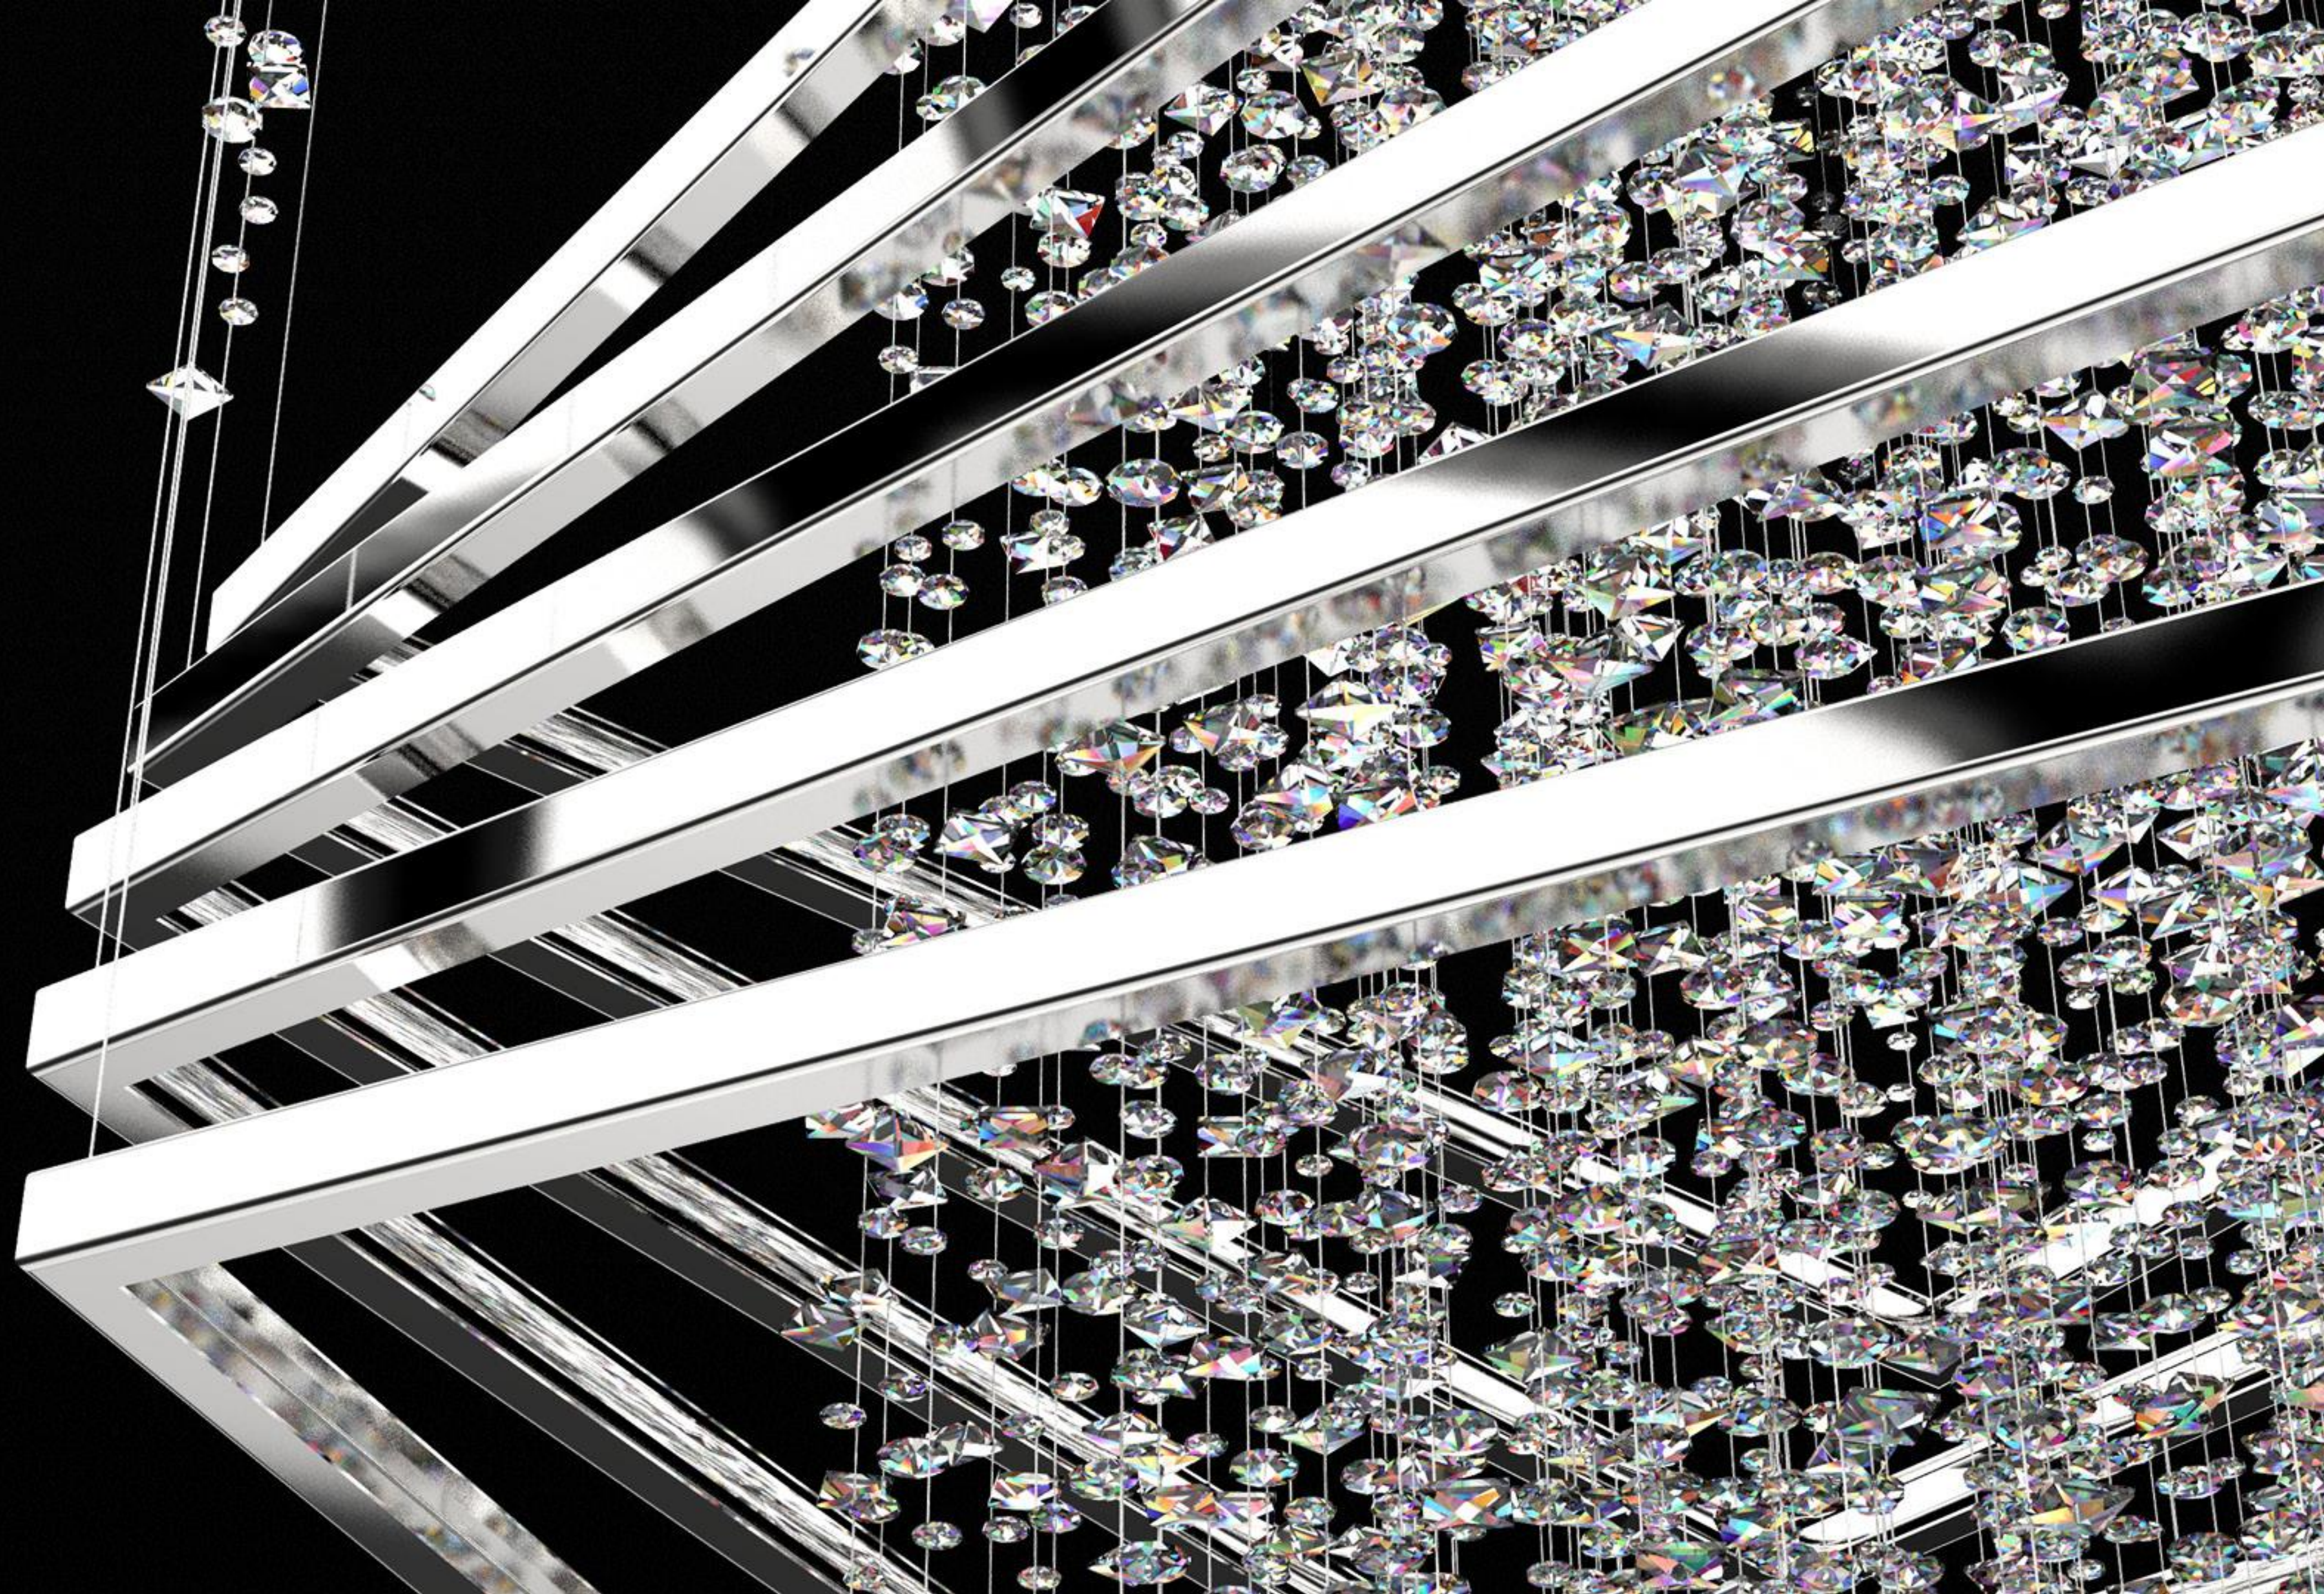

*A waterfall of fine droplets cleverly contrasts with the stark lines of the central squares, guaranteed to be an eye-catching addition to any interior.*

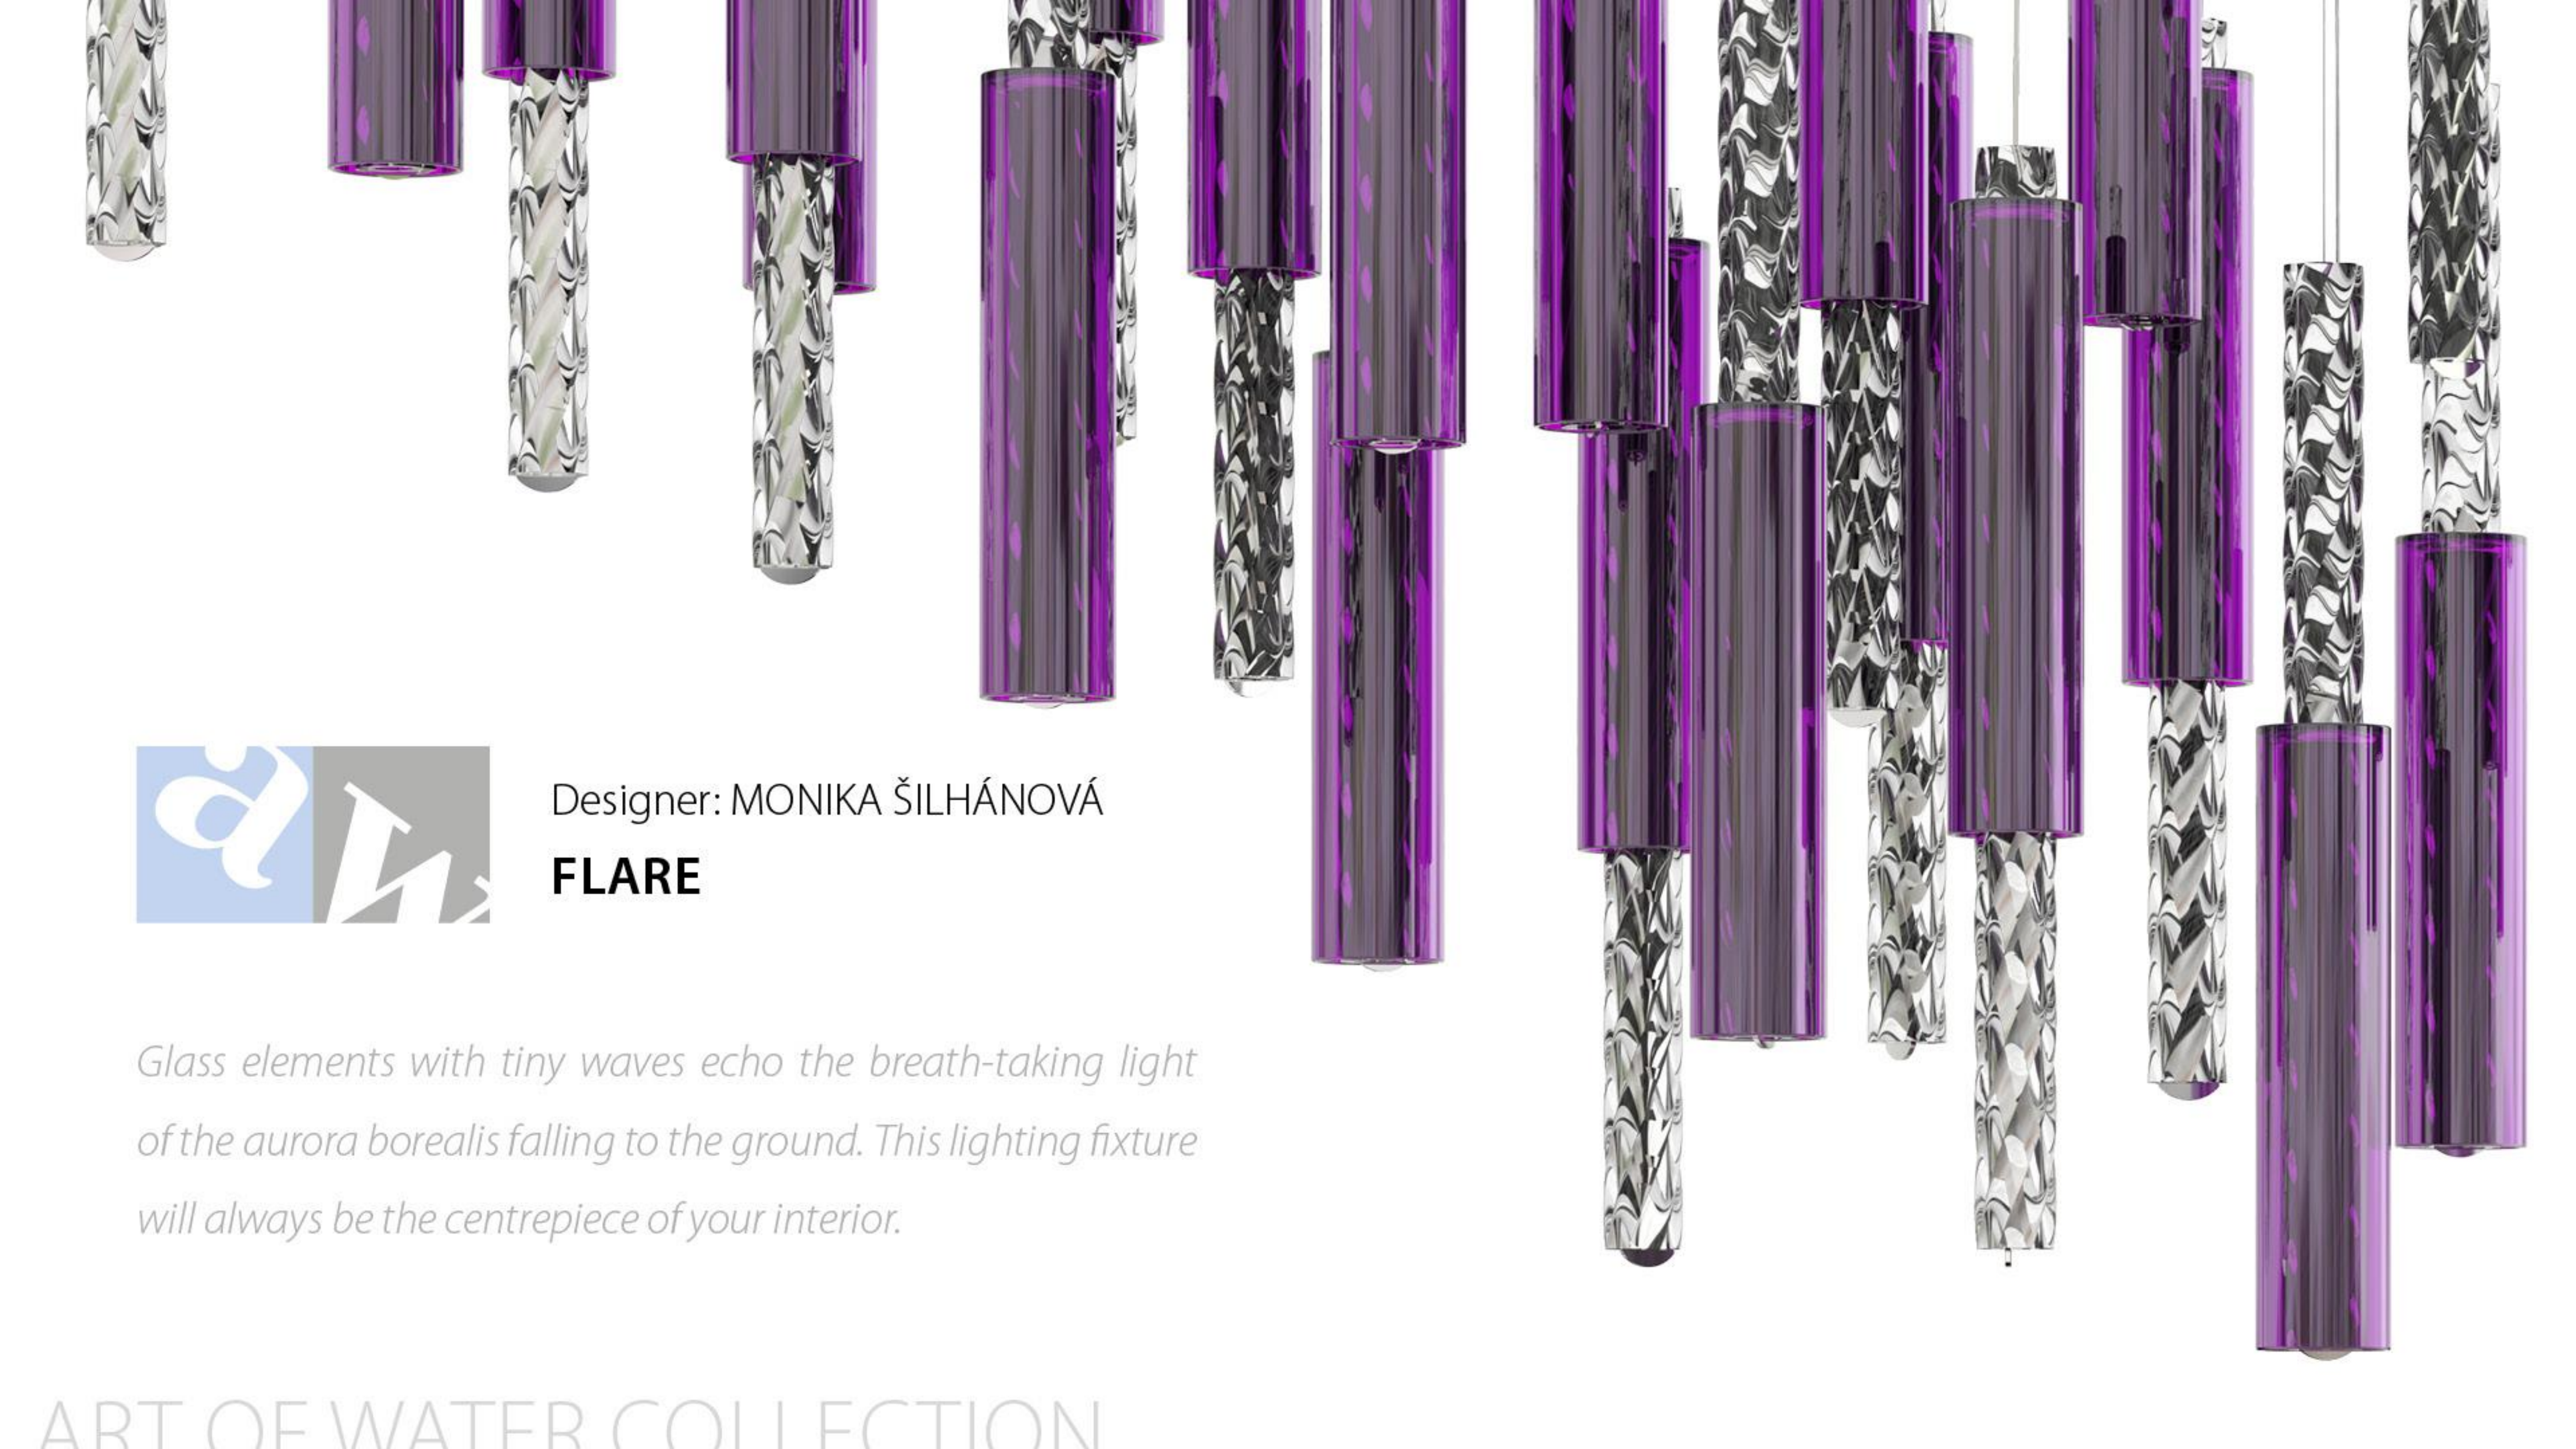

Designer: MONIKA ŠILHÁNOVÁ

## **FLARE**

*Glass elements with tiny waves echo the breath-taking light of the aurora borealis falling to the ground. This lighting fixture will always be the centrepiece of your interior.*

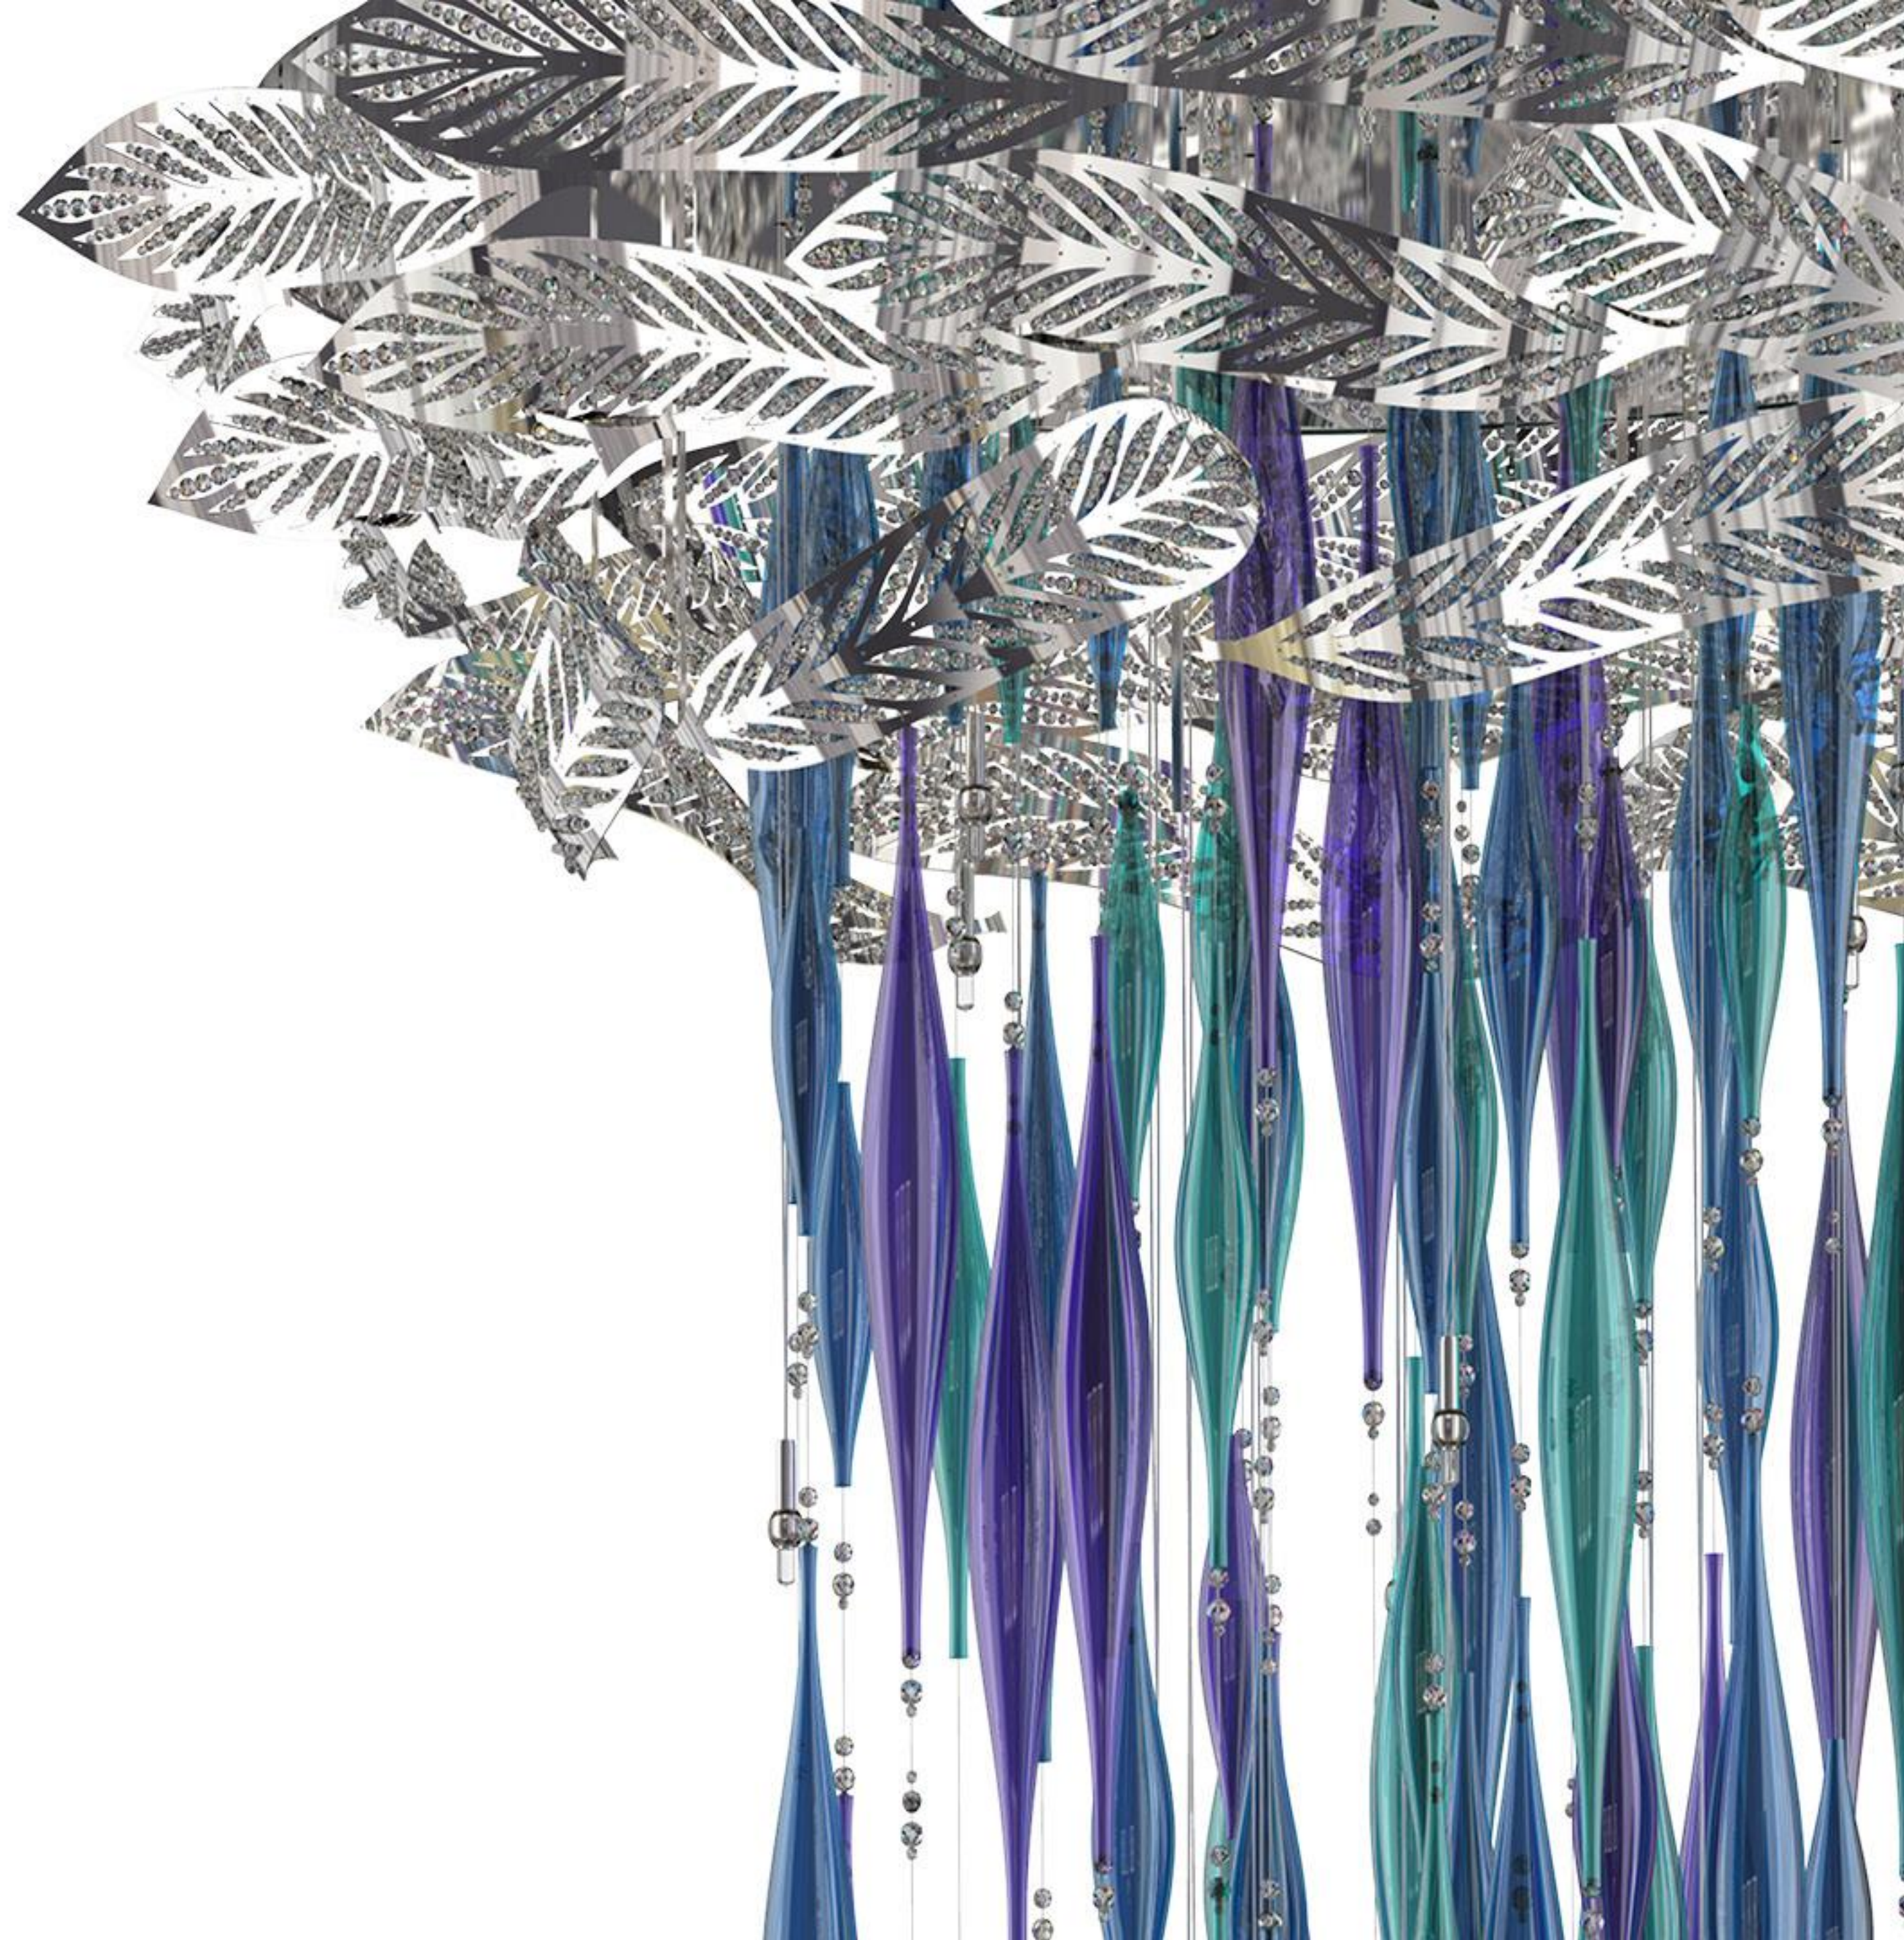

Designer: MONIKA ŠILHÁNOVÁ

## HARMONY

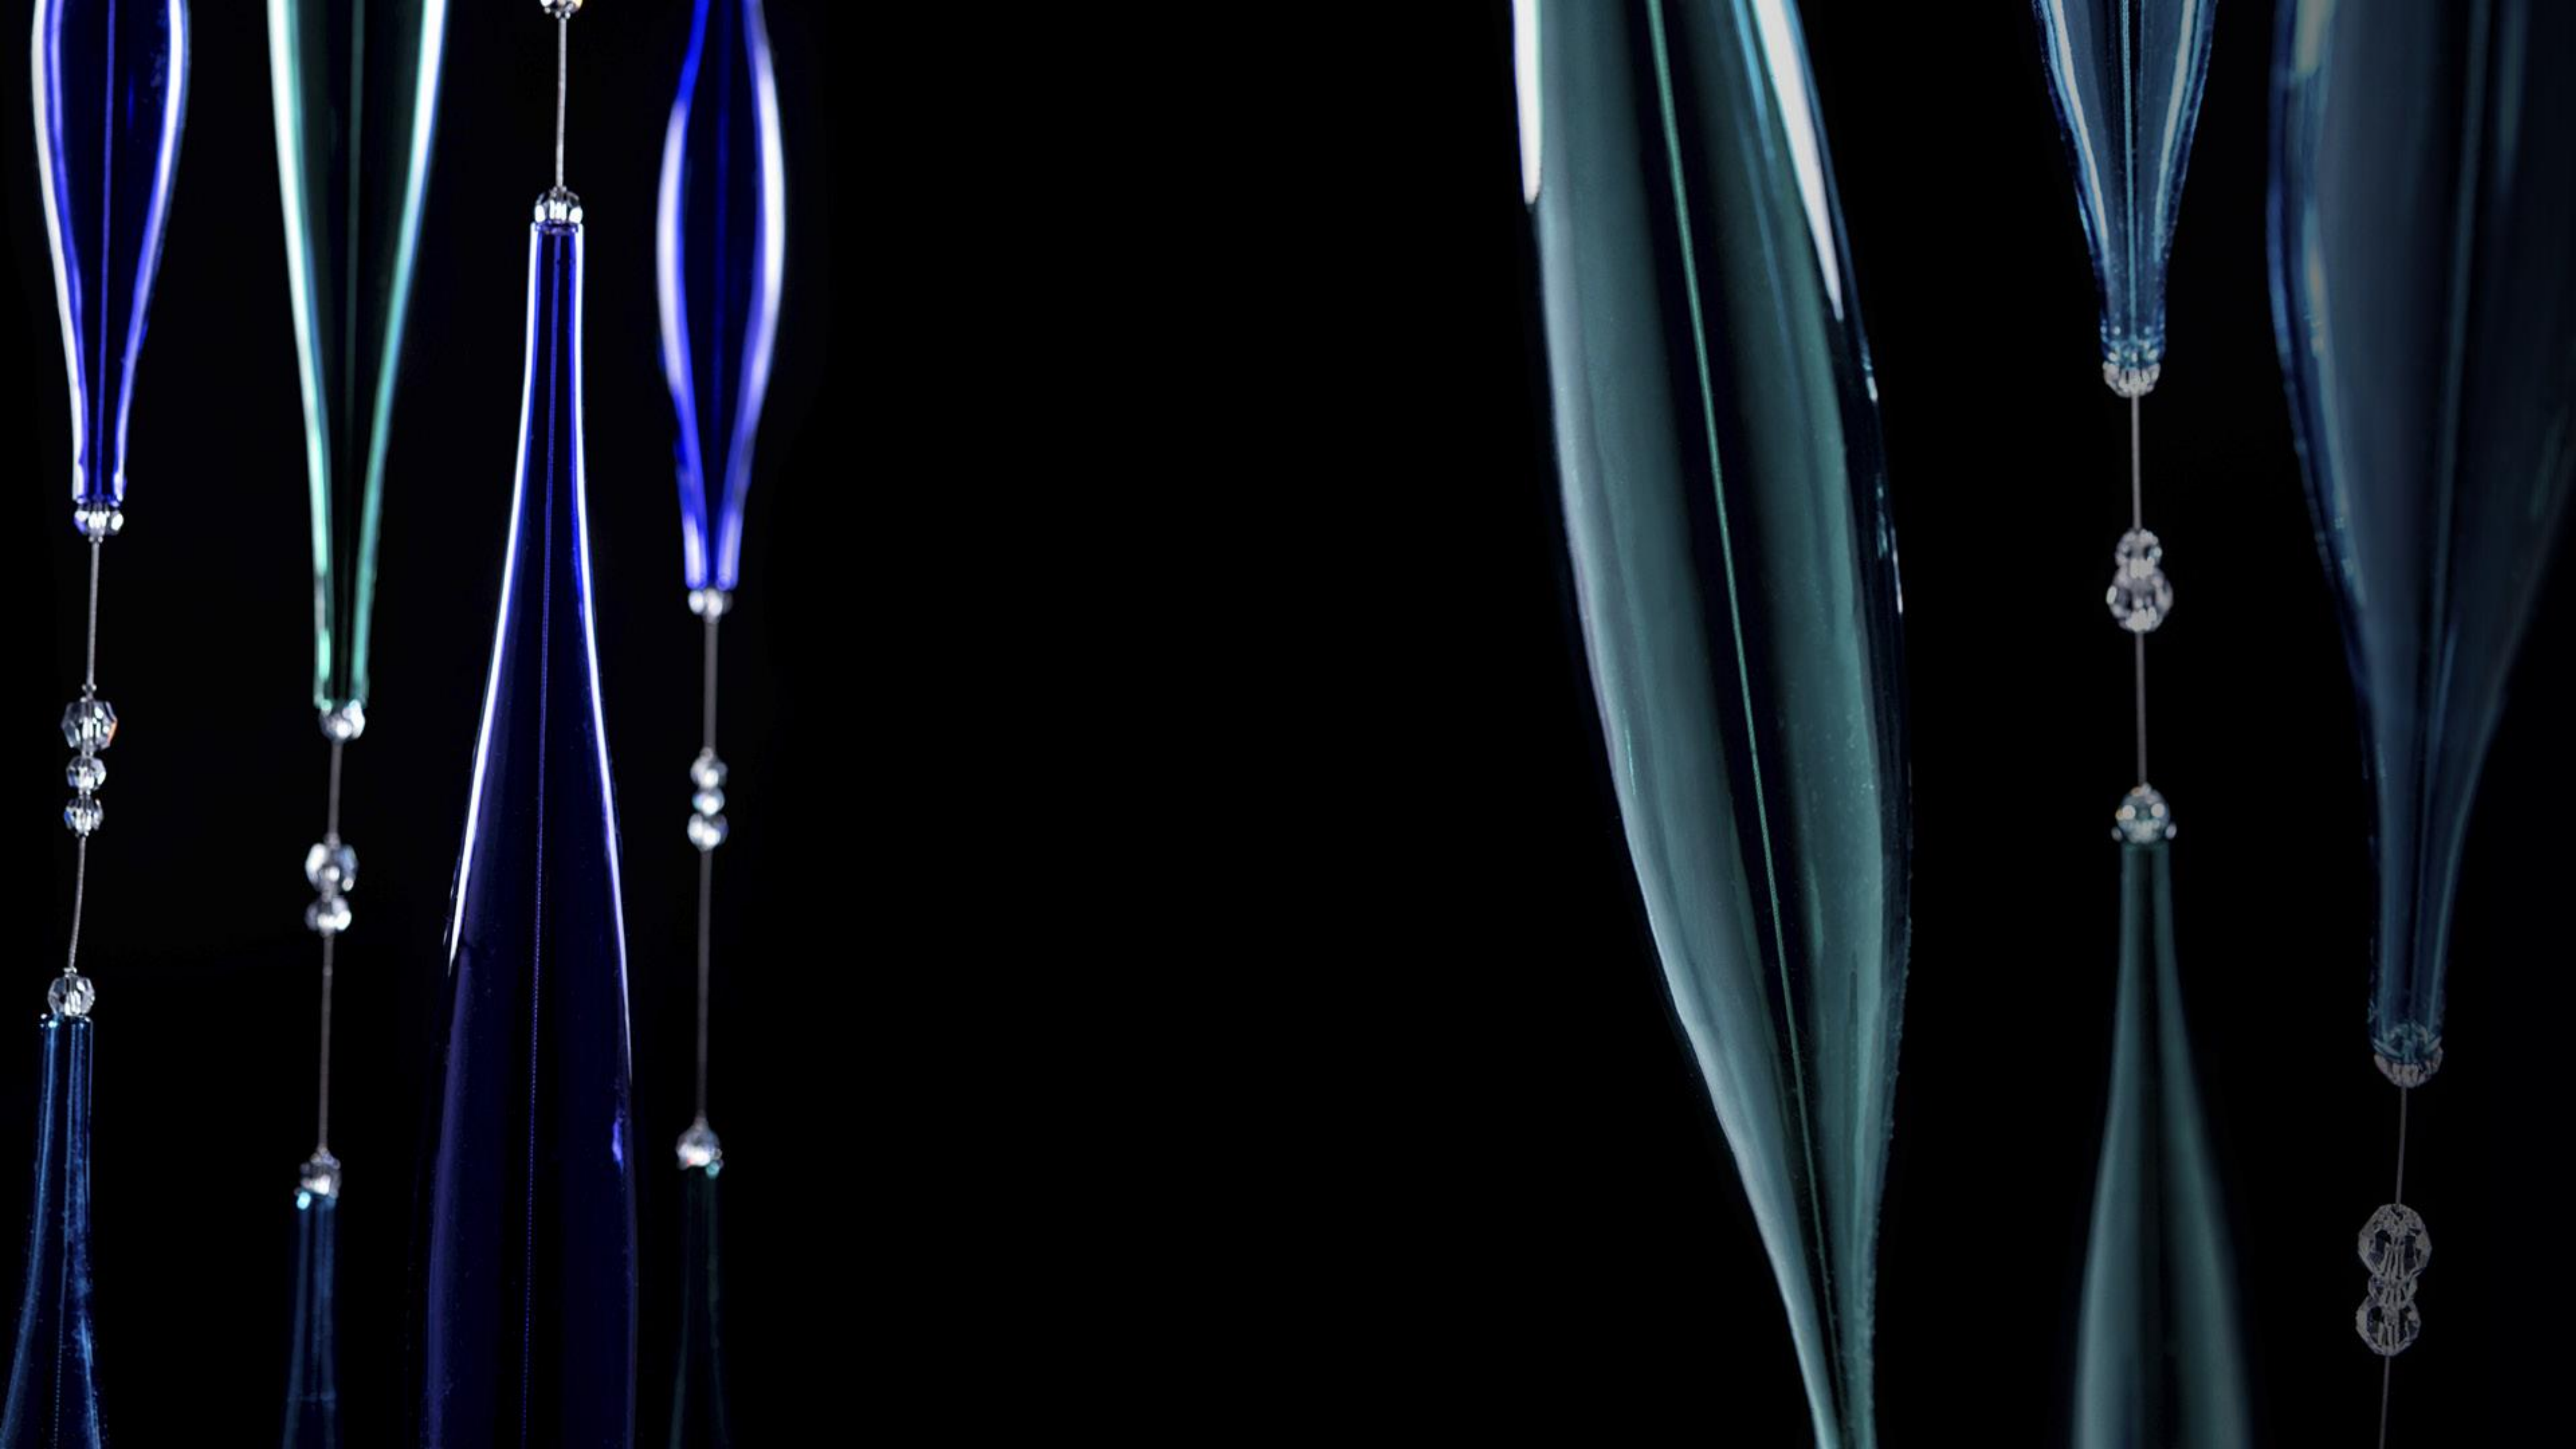

*A lighting fixture that segues from one season to the next, featuring natural elements from both seasons. Artistically formed glass components, carefully moulded to create the illusion of a freezing waterfall, cascade slowly from the base of the fixture inspired by autumn's falling leaves.*

Designer: JIŘÍ VENCL

## **FLOW**

*A wave of shining glass rods ingeniously illuminated from the centre. This stunning and innovative piece offers an unforgettable lighting experience from any angle.*

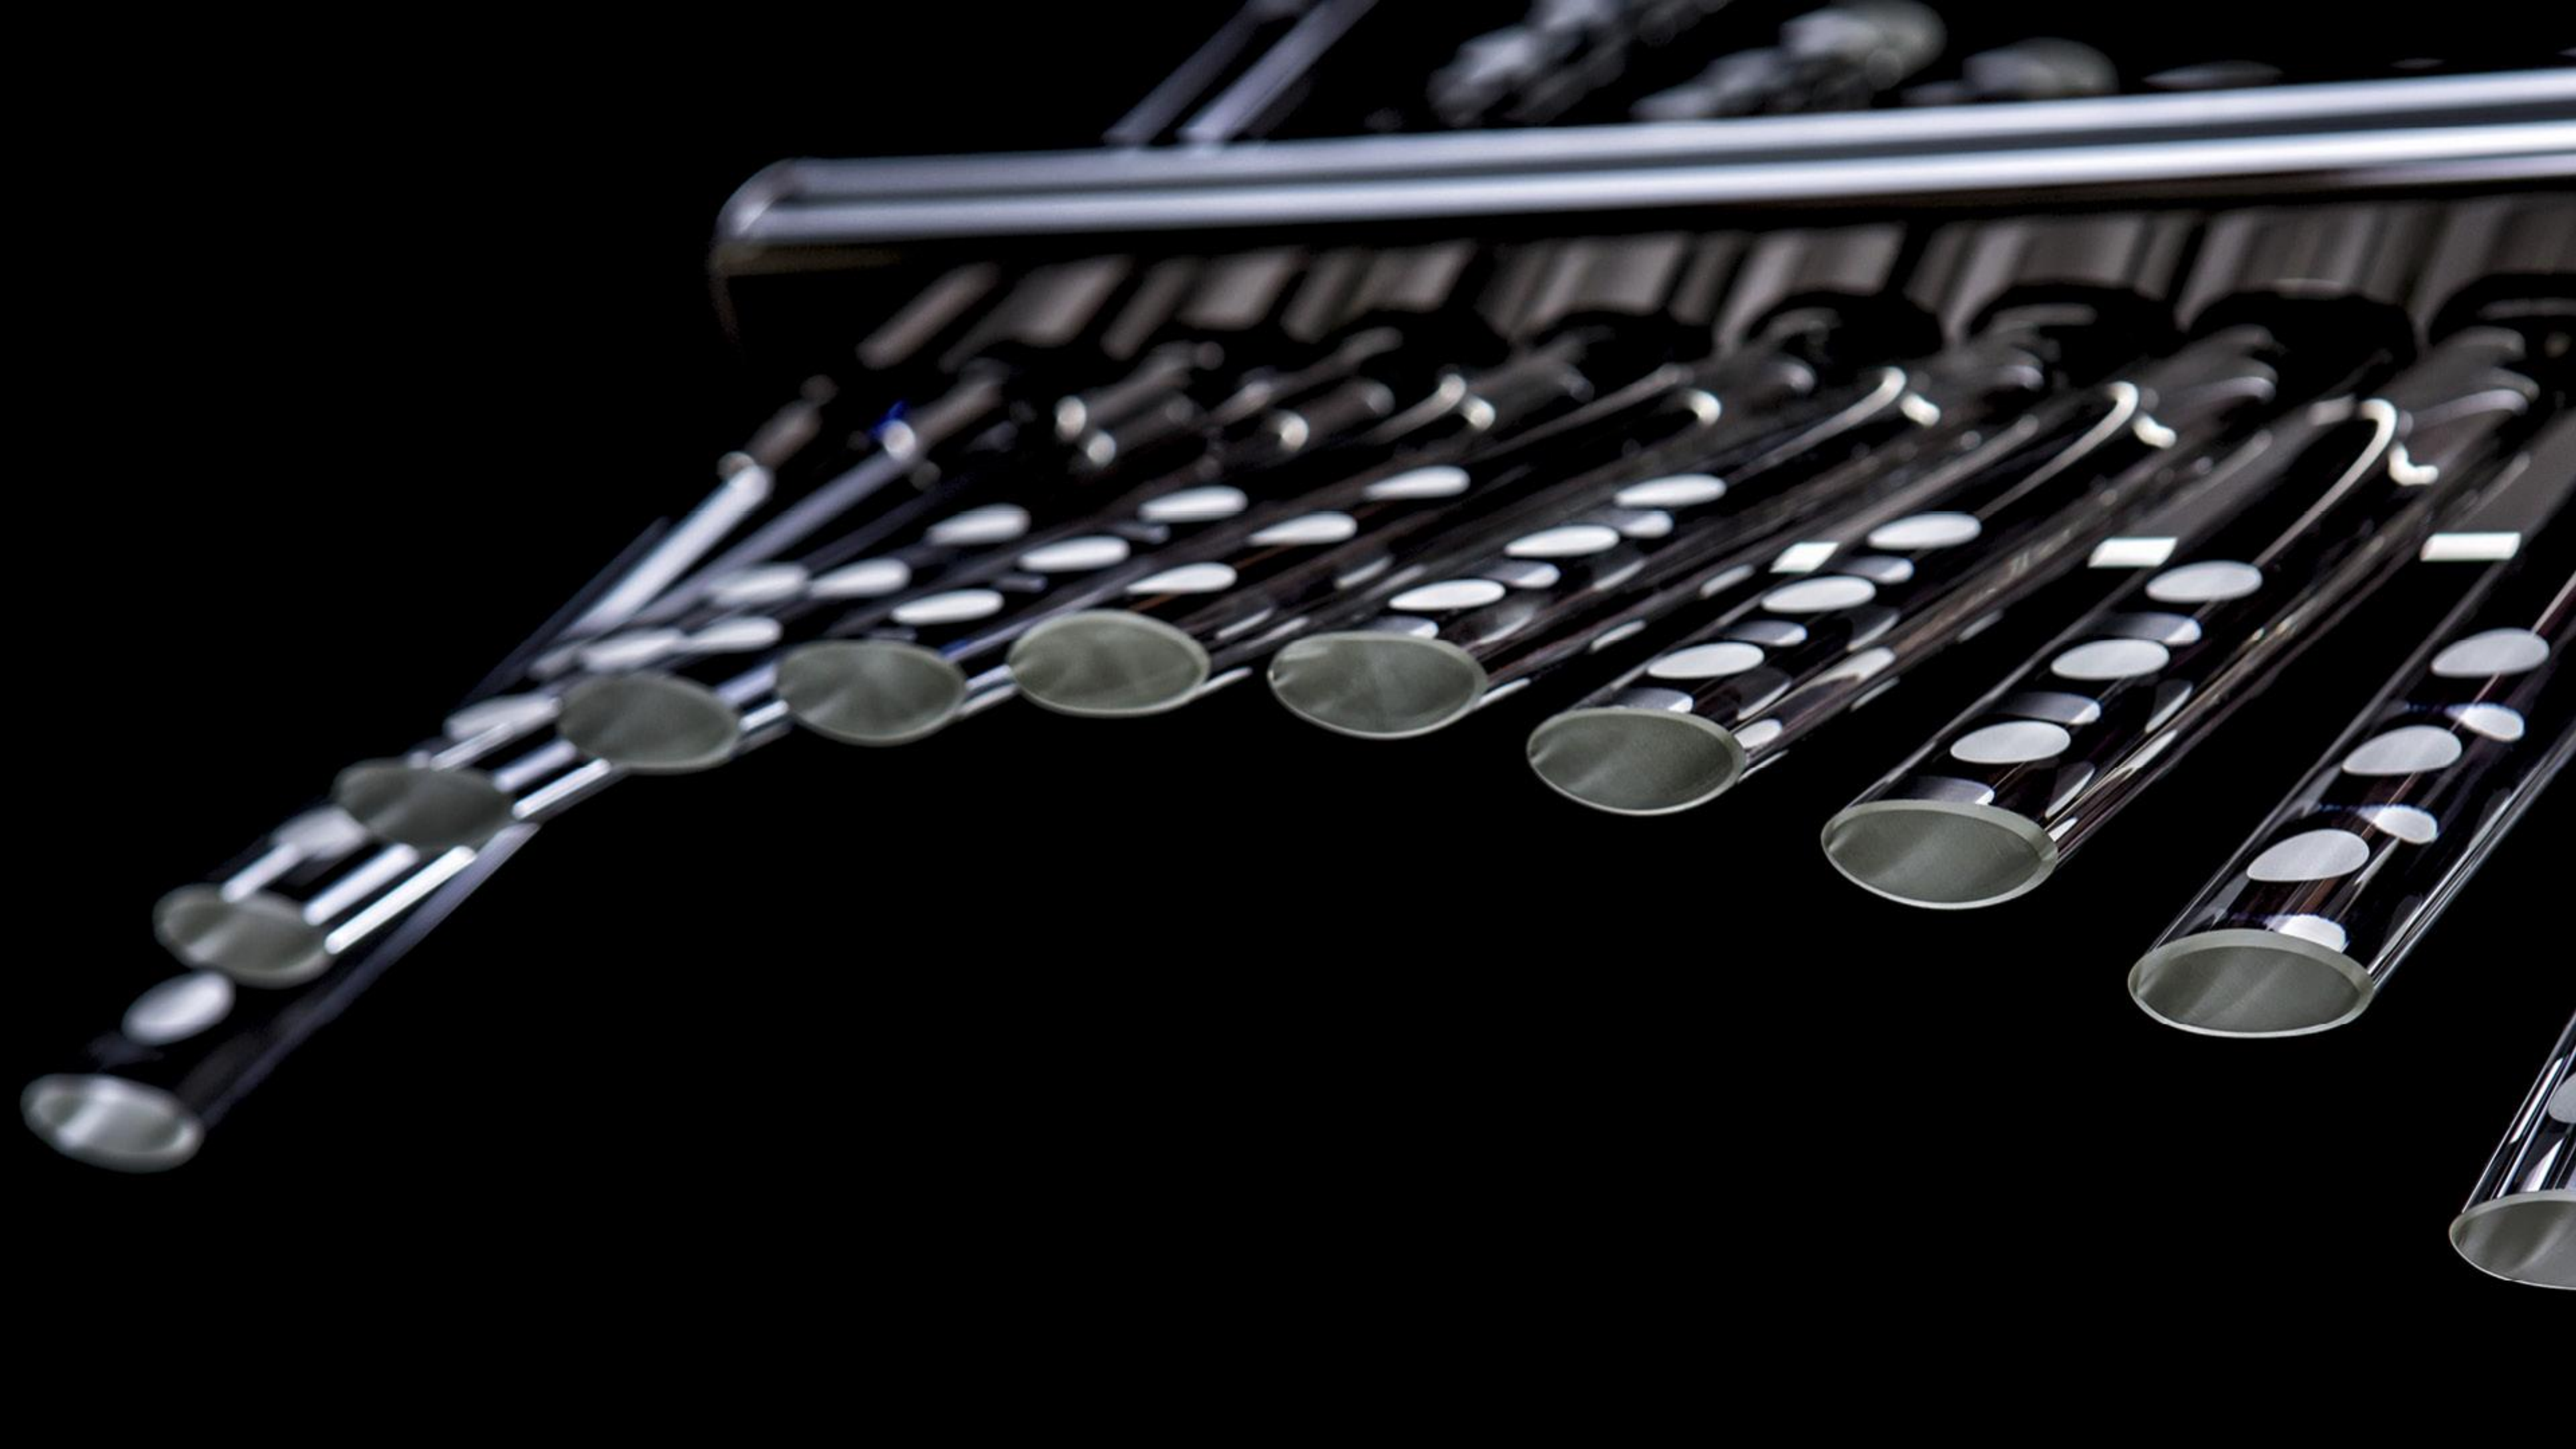

Designer: MONIKA ŠILHÁNOVÁ

## **DAWN**

*This spectacular lighting fixture is inspired by a winter dawn. Its colourful rays and glittering embellishments evoking the last echoes of the night sky will be a stylish complement to your interior. A lighting fixture that lets you feel at one with nature.*
